Re: Confirmation of inventor address change  
John W. Rohan-Weaver  
Serial No. 10/724,387

SIR:

The Issue Fee Transmission for the above-captioned pending patent application was mailed to the U.S. Patent and Trademark Office on January 26, 2005, along with the Applicant's check for \$985.00, in payment of the Issue Fee.

It is the purpose of this letter to confirm the fact that the Applicant's address has in fact changed since the filing of this patent application in the U.S. Patent and Trademark Office on December 1, 2003.

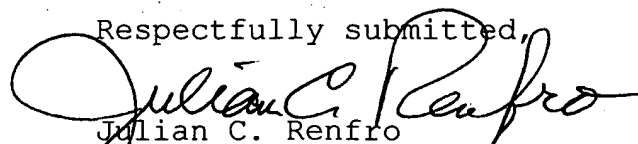

For the purpose of listing the Applicant's address correctly on the printed patent, the undersigned wishes to confirm that sole Applicant John W. Rohan-Weaver's address has changed to the following:

Mr. John W. Rohan-Weaver  
P.O. Box 162521  
Altamonte Springs, FL 32716

In addition, the printed patent should contain on its face sheet, a notation to the effect that the Applicant had assigned the undersigned a 10% ownership of the soon-to-issue patent. Proof of this Assignment to the undersigned is borne out by the enclosed Notice of Recordation mailed on June 21, 2004. [Reel 014753/0755]. Appended to the Notice of Recordation is a copy of the original Assignment document, notarized on 26 November 2003.

I hereby certify that this information is correct.

Respectfully submitted,
